

# *Elisabeth Zguta Bios*

**Short Bio:** Elisabeth Zguta is an Indie author and publisher of supernatural thrillers and tales using psychological suspense, paranormal activity, and a Gothic story atmosphere despite the modern settings.

**Medium Bio:** Elisabeth Zguta is an independent author and publisher of supernatural thrillers. Zguta's first series *Curses & Secrets* contains three books written with a Gothic mood, paranormal activity that intensifies the tension, and lightly layered romance between the scenes of horror. Suspense is created by using old family secrets, dysfunctional trust issues, and deep character flaws. The psychological conflicts lead the characters down a road of perils. Elisabeth Zguta's books are available at all major online bookstore retailers.

**Long Bio:** Elisabeth Zguta is an independent author and publisher of supernatural thrillers. Zguta's first series *Curses & Secrets* contains three books written with a Gothic mood, paranormal activity that intensifies the tension, and lightly layered romance between the scenes of horror. Suspense is created by using old family secrets, dysfunctional trust issues, and deep character flaws. The psychological conflicts lead the characters down a road of perils.

A curious person, Zguta has always enjoyed books and movies that are Gothic, Bizarro, and laced in mystery with complicated plots. Raised in a large family and rearing four of her own, Elisabeth understands the complexities of relationships and uses that knowledge to pump up the heat in her novels. An advocate for Indie Publishing, Elisabeth believes self-expression is a vital part of life and encourages others to learn the craft and technology needed for today's publishing market. Elisabeth Zguta's books are available at all major online bookstore retailers.
